

OVS ORBIT

Open vSwitch 2015 FALL CONFERENCE

Welcome to Day 2!

Ben Pfaff

Housekeeping

- The wifi AP is “meetingroom”, no password.
- Parking validation will again be available at the registration desk, starting at lunch time. This discounts the normal daily rate from \$29 to \$10.

For speakers

- We unfortunately do not have a VGA compatible adapter for displaying slides. HDMI and mini-HDMI/DisplayPort are OK. If you need VGA, I apologize; someone will lend you a laptop for your talk.
- Before your session, please come to the AV desk in the back of the room to be mic'd up.
- If you are presenting a lightning talk, please see me during lunch to check that your slides look OK. Also, I do not yet have slides from every lightning talk presenter.
- If you are presenting a full talk, please send your slides before or after your talk to ovscon@openvswitch.org to allow us to post them on the conference website.
