For speakers

- We prefer to run talks, including lightning talks, from the AV desk instead of from personal laptops. Please go to the AV desk if you have not already submitted slides.
- 10 minutes before your talk, please go to the AV desk to be mic'd up. Please speak to Christian or Luke.
- Please pay attention to the timer visible from the podium:
 - 20 minute timer counts down the talk content.
 - Yellow light indicates 5 minutes or less.
 - Red light indicates out of time.

Extra T-shirts

We have extra T-shirts, in women's or very large men's sizes.
